

Scout Troop Visitation and Tour Policy

Fourth Grade and Above

Scout groups may visit the bison and the Interpretative Trail without advance notice. They may also visit the Lederman Science Center during regular business hours—from 9:00 a.m. to 4:30 p.m., Monday through Friday and from 9:00 a.m. to 3:00 p.m. on Saturdays. Group leaders must contact Nancy Lanning at 630-840-5588 to schedule a visit to the Center. Fermilab will not provide docents, but any group larger than ten individuals must be added to the Center's calendar. One adult chaperone for every five children is required.

General Information

We encourage visits on school holidays, after school and Saturdays. Please call Nancy Lanning at 630-840-5588 or send e-mail to lanning@fnal.gov to schedule your visit. If you have questions about the activities associated with the badges, please contact Sue Sheehan at 630-840-5058 or sheehan@fnal.gov.

Boy Scouts

Conducted by a Fermilab docent, Boy Scouts may complete the *Nuclear Science* badge in a two-hour session. To satisfy one of the requirements of the *Citizenship in the Nation* badge, Boy Scouts may tour the Fermilab facility. There is a charge of \$50.00/up to 20 scouts for each session.

Webelos

The *Scientist* and the *Engineer* badges are offered for Webelos. Each badge is completed in a two-hour session, instructed by a Fermilab docent. There is a charge of \$50.00/up to 20 scouts for each session.

Girl Scouts

The following Girl Scout badges are offered:

- Sky Search
- Earth Connection
 - Most of the activities for this badge take place in our tallgrass prairie.
- Science Sleuth
- Science for Everyday Life
- Making It Matter
- Finding Your Way
- Wildlife
- Science Discovery
 - For this badge, we expect the visit to take place during the week, as visiting with a scientist is one of the planned activities.

There is a charge of \$50.00/up to 20 scouts for each session.
